** Principals Report**

**Student Achievement Reports**

Next Monday each student will receive their mid-year student achievement report. The report is a summary of your child’s educational program and progress so far this year and relates to the on-going assessments that are done by teachers: formal pre and post-tests, individual conferencing sessions, anecdotal observations and student self-reflections. The report also states your child’s future learning goals, what the school will do to support them and what you can do at home to assist your child’s learning.

Included with the report will be an information sheet and an Interview request form. Please return the Interview request form by Wednesday June 18th so that teachers can create a timetable for interviews and send home the times for parents.

**Student pick-up arrangements**

Please consider the following procedures when picking up your children at 3:30pm:

- Park your car safely on the side of the road and park close together to allow more cars to park,
- Students should NOT be waiting in the Staff car park as cars are constantly moving and reversing. Students must wait inside the school grounds,
- Obey the 40kph speed limit,
- Please remind your child/children that if they haven’t been picked up by 3:40pm, they should go to the office so that we can check arrangements and also make sure that your child/children are safe.

**Family Support**

Mt Duneed Regional PS tries very hard to support our students and their families. One way we have supported and promoted our families was the creation of the Family Business Directory, which does need updating this year. We envisage that we can provide assistance to families who have a special short term need, eg. an illness, a death in the family or a new baby arrival. Support could be in a variety of ways, such as cooking a meal, transporting students to school or mowing lawns.

At the moment we have a family who is going through major medical treatment. We would love to support this family in any way we can. If you would like to be involved with this program, please contact the office and we will pass your details on. If you know of a family who needs this service, also contact the office. I hope that we can get this new method of support up and running ASAP and identify a co-ordinator.

**Netball and Football Lightning Premiership**

Well done to our senior students who participated at the Surfcoast Sports Association Lightning Premiership last week. The football team had a mixed bag of wins and losses but played well as a team. We wish Lachie Gemmill a speedy recovery as he was unfortunately injured at the start of the day. He has a mild concussion but the doctors said that with rest, he should be OK. The netball team are to be congratulated for winning all their matches and ultimately taking out the championship trophy. Well done everyone for representing our school, displaying good sportsmanship and determination.

**Adidas Fun Run**

Students are busy gathering sponsors for the Adidas Fun Run which will be held on the last day of term between 9 – 12:30pm. I encourage all families to support this school fundraising event by gaining as many sponsors as possible. The permission form from the information booklet needs to be returned ASAP. Fun Run money and prize claim forms due back at school on 17th July. Each student who raises over $10 will receive a prize.

**Music Concert**

On Wednesday June 18th the school music concert will be held. It is a mini-concert (not as large and spectacular as our whole school concert at Sacred Heart last year, but spectacular non the less!) Casey Burrill our music teacher has been very busy this half year inspiring our students to learn about beats, rhythm and playing the ukulele. You are welcome to attend for the 2:30pm concert.

**Pizza lunch order**

The special lunch order for the term will be a pizza and juice menu. It will be held on the same day as the music concert. Order forms went home yesterday and must be back to school by June 16th (no late orders accepted). Parents are welcome to have lunch with the students, and can add their pizza order to their child’s order.

**Movie on the Mount**

The date for our Movie on the Mount event is **Friday August 22**. Some parents have already met to begin the planning and gathering of sponsors and donations of food. If you can assist in any way please let the office know and we will pass your contact details to Belinda Looure or Shandell Hamilton.

Adidas Fun-Run

We will be holding an adidas School Fun-Run as a major fundraising event this year. The event will be held on Friday June 27th within the school grounds.

The adidas School Fun-Run is a healthy, fun and active fundraiser that ensures we send the right message to our students about getting active, having fun and maintaining a healthy lifestyle. The main focus of this event is on participation. Family support is most appreciated as we encourage all students to get involved.

All students have received a Sponsorship Booklet to help collect sponsorship on behalf of the school. The funds raised will be used to purchase Technology equipment.

We ask all parents to read the Sponsorship Booklet and sign the front page to grant permission for their child to fundraise and participate in this event. Students who raise just $10 or more will receive a reward for effort. In the Sponsorship Form you will also find many other benefits like the chance to win a family holiday to Disneyland!

Students wanting to track their progress, and use online fundraising, can do so by logging onto schoolfunrun.com.au/students and creating a Student Profile Page.

Finally, we would like to welcome parents and family members to attend the adidas School Fun-Run event day at the school on Friday June 27th to help cheer on the students. Event times will be sent out closer to the date.

- Please note all Fun Run money and prize claim forms due back at school by Thursday, 17th July.

Thank you, good luck and happy fundraising!

**Werribee Mansion Excursion**
We hope you all heard about our wonderful year 1 & 2 excursion to Werribee Mansion. The children were able to discover and learn about how life was different in the olden days. They were able to step back in time and compare their own lives with those of the people who used to live and work at the mansion.

Artefacts within the buildings are used to illustrate the changes society has experienced over time. The students visited the original laundry and experienced how to hand wash clothing, using equipment from the period.

The students were able to make comparisons between the technology of the past and today’s modern appliances. Our students are now completing their own olden day project to present to their peers. We would like to thank the children on their excellent behaviour on the excursion.
